Dear Sir:

Please correct information on the enclosed Filing Receipt as follows:

We have received two filing receipts in connection with this application. The first filing receipt correctly identified the applicant as Toshikazu Yomeyama.

The second filing receipt incorrectly lists Kent Matthews and Eric Schakel as applicants.

The two filing receipts list different group art units, different filing fees received, and a different preliminary class.

Both filing receipts correctly list the application number, filing date, application title, and correspondence address.

We request a corrected filing receipt that lists the applicant as Toshikazu Yomeyama and provides correct information as to the filing fee received.

The Patent and Trademark Office's attention to this matter is appreciated.

Respectfully Submitted,
